FAIR BOARD OFFICE - 402-267-5120

CASS COUNTY AGRICULTURAL SOCIETY MEMBERSHIP

Cass County Agricultural Society (CCAS) is composed of all Cass County registered voters who are, as such, able to vote at the Annual Meeting. This meeting is held on the second Monday in November at 7:00 p.m. at the Expo Center.

CASS COUNTY FAIRGROUNDS RECEIVES AWARD

from Cass County Nebraska Economic Development Council (CCNEDC)

The Cass County Agricultural Society has roots dating back to August 30, 1856 when the first Ag Society was organized in Cass County. Fairs were held in various locations in the county including Rock Bluff and Plattsmouth. Fair activities were interrupted during the Civil War and in the early years, interest in sustaining the county fair waned. 1921 brought about a reorganization with the purchase of existing buildings in Weeping Water. The fair was successfully held in Weeping Water for many years. However, the Society had a vision for what the Fair could become and land at the corner of Old Hwy 50 and Hwy 1 was purchased to establish a new, permanent site for the Cass County Fairgrounds with room to grow.

Today the Fairgrounds, governed by the Cass County Agricultural Society, holds one of the only "free" fairs in Nebraska. All entertainment and activities are provided at no cost to fairgoers. The fair brings thousands of visitors to Cass County on an annual basis, encouraging economic activity in virtually all of the cities, towns and villages. Additionally, the facilities are available for hosting conferences, events, weddings and competitions throughout the year.

In 2022, the Cass County Agricultural Society supported the monumental undertaking by the Rathe and Lubben families to host the Cattlemen's Ball of Nebraska. The event, attended by thousands of people, raised over \$1.3 million for the Buffett Cancer Center and supported dozens of local organizations for their health and wellness programs for their communities.

Create a quilt block that is 12.5" square

It has been decided that a quilt will no longer be made from the Quilt Block Contest entries for raffle the following year. All blocks entered will be gathered together at the end of the fair and sold to whoever wants to create a quilt with them. The most fair way to do that is to put the collection up for silent bids. All during the fair, there will be a paper near the display for you to sign your name and add your bid (i.e. \$30). Keep checking during the fair because someone might outbid you! Then a new bid is in order!

BIDDING WILL END AT 8:30 P.M. SATURDAY NIGHT. Winner will settle up as the displays are dismantled that evening.
