

Cass County Fair Quilt Block Contest for 2023 County Fair

Quilt Block Contest color scheme for 2023 is to use the Red, White, and Blue such as what you see in the lovely patriotic Quilts of Valor that are given to veterans. Size of the block should be 12 1/2" square, no more, no less. Entry as many as you like, but must be different patterns.

It has been decided that a quilt will no longer be made from the Quilt Contest Entries for raffle the following year. If the makers of this year's blocks will be willing to donate their blocks to be put into a quilt, the group of blocks will be gathered together at the end of the fair and offered for sale to anyone who wants to create a quilt with them. The fairest way to do that is to put the collection up for silent bids. All during the fair, there will be a paper near the display for you to sign your name and add your bid, i.e. \$30. Keep checking during the fair because someone might outbid you! Then a new bid is in order! Winner will settle up as the displays are dismantled on Saturday night.
